Share your recruiting form

Revision 2026-10-10

Share the public interest form and change the message recruits see after sending it.

Share the form

1. Open **Recruiting**, then **Recruiting Form**.
2. Copy the form's link and share it with prospects.

New submissions show up in your recruit list. If **Completed recruiting forms** is on under **Planner Settings**, each one also adds a Team Planner card.

The form uses your team's **Primary color**, set under **Settings**, then **General**.

Change the thank-you message

Recruiting Settings is part of **Settings**. Recruiting is on the **Gold** program license. If Recruiting isn't turned on for your team, the page says "Recruiting is a paid add-on" and shows a **Request Access** button instead of the settings.

1. Open **Settings**, then **Recruiting Settings**.
2. Under **Form & auto-reply**, edit the message.
3. Save.
