Change your team details

Revision 2026-10-10

Update your team name, color, logo, location and how people join.

Open **Settings**, then **General**.

Change details

1. Change any of these:
   - **Team name**
   - **Primary color**: select **Choose color**. It's used on your recruiting form and other team branding.
   - **Coach join mode** and **Athlete join mode**: for example invite code only.
   - **City** and **State**
   - Team logo. PNG works best on flyers.
2. Select **Save team**.

Invite codes

Your **Coach invite code** shows under the join settings. To invite athletes to their journal, see Invite athletes to Team Journals.

A **team licenses** link is also on this page, for Wrestling Timer seats included with Silver and Gold program licenses. See Manage Wrestling Timer licenses.

Check-in settings

This page also holds your team's **Check-in settings**. The **Check-in settings** button on Check-in opens them.
