Pick a time-up sound

Revision 2026-10-12

Choose a classic end sound when the announcer is off.

When the announcer is off, Wrestling Timer plays a classic sound at time-up. That setting lives on the **Announcer** screen (not under **Timer**).

Choose a classic sound

1. Tap **SETTINGS**, then **Announcer**.
2. Turn **Enable Announcer** off so the **Time-Up Sound** list appears.
3. Under **Time-Up Sound**, pick **Wrestling Bell**, **Ding**, **Game Buzzer**, or **Gong**.
4. Tap a row to preview and select it.

The footnote explains that on-screen 3-2-1 still runs before each go, and the selected sound plays when time expires. To use voice calls instead, see Turn the announcer on or off.
