

Reminder settings

Revision 2026-10-11

Choose daily and weekly plan reminder options, sound, badge, time zone, and Save.

Use **Reminder settings** to choose how you want reminders set up on this phone. You can change these options and tap **Save**. This page only covers saving your choices in the app.

Open Reminder settings

1. Tap **More**, then **Reminder settings**.
2. Change any of the options below.
3. Tap **Save**.

What you can set

Daily reminder

- Turn **Enabled** on or off.
- Set a **Time**.
- Pick which **Days** (Mon through Sun).

Weekly plan reminder

- Turn **Weekly plan reminder** on or off.

Delivery

- **Sound**: on or off.
- **Badge**: on or off.
- **Time zone**: pick your time zone (for example America/New York).

These settings store your preferences. They do not guarantee that a reminder will be delivered to your phone.
