

Accept the privacy policy

Revision 2026-10-11

Agree to the Privacy Policy when Wrestling Timer asks after you subscribe.

When a new privacy version is required, Wrestling Timer shows the policy before you continue.

Agree on iPhone or iPad

1. Open the **Privacy Policy** screen.
2. Read the document. Use **Next Page** and **Previous Page** if it spans more than one page. Tap **Done** when you finish reading in the page viewer.
3. If you see **Offline copy**, the app is showing a saved copy.
4. Tap **I Agree to Privacy Policy**.

If the document will not load

If you see **This document is unavailable.**, check your network and try again later. You cannot skip this step when the app requires a new acceptance.
