

Play music in MatSide Music Player

Revision 2026-10-12

Open MatSide Music Player to browse the Library and play from Now Playing.

Use **MATSIDE MUSIC PLAYER** to listen outside a timer session.

Open the Library

1. On the home screen, tap **MATSIDE MUSIC PLAYER**.
2. On **Library**, choose **Playlists**, **Artists**, **Genres**, or **Songs**.
3. Tap **Browse Concessions** (subtitle **Get more music from Concessions**) when you need more music from the store.
4. Pick a playlist or song to start playback.

Now Playing

1. Open **Now Playing** to see the current track and controls.
2. Use play, pause, and skip as needed.
3. Review **UP NEXT** for the following track in the queue.
