

Run a Full Match

Revision 2026-10-11

Choose match style, length, overtime, and music, then run Full Match periods.

Full Match times periods only. It does not keep score.

Set up the match

1. Tap **DRILL TIMERS**, then **FULL MATCH**.
2. On **MATCH STYLE**, pick **Folkstyle** or **Olympic Styles**.
3. On **MATCH LENGTH**, pick a preset such as **3 Min (1-1-1)**, **4 Min (2-1-1)**, **6 Min (2-2-2)**, **7 Min (3-2-2)**, **4 Min (2-2)**, **5 Min (2.5-2.5)**, or **6 Min (3-3)** (options depend on style).
4. On **OVERTIME**, pick **No Overtime**, **1 Minute Overtime**, or **2 Minute Overtime**.
5. On **NUMBER OF MATCHES**, pick how many **MATCH / MATCHES** to run.
6. On **BREAK LENGTH**, pick the rest between matches when you run more than one.
7. On **ARENA MUSIC**, pick a playlist or **No Music**.
8. On **READY TO START**, tap **START**.

During the match

1. Period labels look like **PERIOD 1**, then later periods in order.
2. Overtime (when selected) shows **OVERTIME**.
3. Between segments you may see **Break**.
4. When the sequence finishes, the display shows **MATCH COMPLETE**.
