

Send feedback

Revision 2026-10-12

Report a bug or idea from Send Feedback in Settings.

Send a bug report or idea from Settings.

Open Send Feedback

1. Tap **SETTINGS**.
2. Under **Support & Info**, tap **Send Feedback** (subtitle **Report bugs or suggest features**).
3. Choose a category: **Bug**, **Feature**, **General**, or **Other**.
4. In **Describe your feedback**, write your message.
5. Tap **Send Feedback** (the button shows **Sending...** while it submits).
