

What's New

Revision 2026-10-12

Open What's New in Settings for updates, new content, and announcements.

See updates, new content, and announcements from Settings.

Open What's New

1. Tap **SETTINGS**.
2. Under **App Updates**, tap **What's New** (subtitle **Updates, new content, and announcements**).
3. Open an item in the list to read the details.
