An athlete's profile page

Revision 2026-10-10

See and edit everything about one athlete: details, notes, weight, check-ins and evaluations.

On **Roster**, select an athlete's name to open their profile.

The top of the page

- Their photo. Select **Add photo** or **Change photo**, or **Remove**.
- A badge: **Active wrestler** or **Inactive wrestler**.
- Their email, phone and join date. If the email came from the athlete's Wrestling Journal account, it says **(Team Journals)** after it.
- Buttons: **Edit**, **Shared journal** (when the athlete shares their journal), **Assign staff role** and **Move to alumni**.

The tabs

1. **Overview**: **Basic information** (name, email, grade, groups, phone, gender, graduation year, weight class), **Weight management**, and **Notes**.
2. **OWC**: the athlete's weight calculator.
3. **Check-ins**: every check-in, with when, event, weight and source.
4. **Recruiting**: shown when the athlete came from recruiting.
5. **Wrestle-offs**: wrestle-off sessions and head-to-head matches.
6. **Evaluations**: their **Total** score and how it adds up.

OWC, **Wrestle-offs** and **Evaluations** show only for active wrestlers. Turn this on with **Active wrestler (shows OWC and competition tabs)** in **Edit**.

Edit details

1. Select **Edit**.
2. Change what you need.
3. Select **Save**, or **Cancel**.

Notes about this athlete

The **Notes** box lists every Team Note written about this athlete. To add one, open **Team Notes**, choose the **Individual** type and pick this athlete. Select **Open Team Notes** to go there.

Make an athlete a coach

1. Select **Assign staff role**.
2. Fill in **Email**, pick a **Role** (**Coach** or **Assistant**) and add a **Phone** if you like.
3. Select **Assign role**.

If an account already exists for that email, they're linked right away. Otherwise an invite is sent.
