Invite athletes and approve join requests

Revision 2026-10-10

Get your athletes into Team Journals with a code or email invite, and approve requests.

Open **Team Journals**, then **Participants**. The page is for managing journal participants (invite by code or email, approve join requests, and see sharing status).

Share the invite code

1. Find your code under **Invite code**.
2. Give it to your athletes. They type it in the Wrestling Journal app to join your team.

Select **Regenerate code** to make a new code. The old one stops working.

Invite by email

1. Under **Invite by email**, type one or more email addresses, separated by commas.
2. Select **Send invites**.

Sent invites show under **Email invites**.

Approve join requests

1. Look under **Pending**.
2. Select **Approve** or **Decline** for each athlete.

Manage athletes who joined

Under **Active**, each athlete shows their **Journal** as **Shared** or **Private**.

- Select **Edit** to change their grad year or weight, then **Save**.
- Select **Remove** to take them off Team Journals.
