Manage Wrestling Timer licenses

Revision 2026-10-10

Accept a Wrestling Timer license invite, or invite coaches to your license.

YourTeamManager is sold as **program licenses**. One program license covers a school's high school, middle school, and youth programs. **Silver** and **Gold** include Wrestling Timer (5 seats); coaches manage those seats on the **team licenses** page in Settings.

To open the page, open **Settings**, then **General**, and select the **team licenses** link.

If you aren't on a license yet, the page says "You are not on an active Wrestling Timer team license yet."

Accept an invite

1. Under **Accept an invitation**, paste the invite into **Invite token**.
2. Select **Accept**.

Invite a coach

If you own or manage the license:

1. Type the coach's email in **Coach email**.
2. Pick a role: **Coach (uses a seat)**, **Staff (uses a seat)** or **Administrator (no seat)**.
3. Select **Invite**. The invite shows once. Send it to the coach.

When every seat is taken, you'll see "Seat limit of … licensed coaches reached." You can still invite an administrator. **Over seat limit** means more people are in seats than the license allows.

For Wrestling Journal seats, see Wrestling Journal seats.
